

m_units::cosd

```
graph LR; A[m_units::cosd] --> B[m_anyscalar::anyscalar_to_real]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'm_units::cosd'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'm_anyscalar::anyscalar_to_real'.

m_anyscalar::anyscalar
_to_real
