

m_strings::visible

same

```
graph RL; same --> m_strings::visible
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'm_strings::visible'. The box on the right is white and contains the text 'same'. A dark blue arrow points from the right side of the 'same' box to the left side of the 'm_strings::visible' box, indicating a relationship or mapping from 'same' to 'm_strings::visible'.
