

C_regexexec

```
graph LR; A[C_regexexec] --> B[m_regex::regexexec]; B --> C[m_strings::s2c];
```

A flow diagram with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'C_regexexec'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'm_regex::regexexec'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'm_strings::s2c'.

m_regex::regexexec

m_strings::s2c
