

m_display_util::tostring
_check_settings

```
graph LR; A[m_display::tostring_set] --> B[m_display_util::tostring_check_settings]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'm_display_util::tostring_check_settings'. The box on the right is white with a black border and contains the text 'm_display::tostring_set'. A dark blue arrow points from the right box to the left box, indicating a function call or dependency.
