```

```

The diagram illustrates a dependency or include relationship. A central box at the top contains the file path 'LIBRARY/libGPF/download /tmp/C-jubiglet.c'. Three blue arrows originate from the bottom of this box and point downwards to three separate boxes. The left box contains 'stdio.h', the middle box contains 'stdlib.h', and the right box contains 'string.h'. This suggests that the source file in the top box includes or depends on these three standard C header files.
